

GSA 8(a) STARS II Government-Wide Acquisition Contract (GWAC)

Period of performance: 31 August 2011–30 August 2021

Contract number: GS-06F-0696Z

8(a) STARS II contract vehicle

Integral is a prime contractor on both 8(a) STARS II Constellation I and II, as follows:

- Constellation I: All four functional areas (FA)
- Constellation II: All four functional areas; requires an additional industry credential, such as CMMI or ISO

Four Functional Areas

1. FA 1: Custom Computer Programming Services
2. FA 2: Computer Systems Design Services
3. FA 3: Computer Facilities Management Services
4. FA 4: Other Computer Related Services

Features and benefits

- Highly flexible small business set-aside GWAC that provides access to customized IT solutions from a large, diverse pool of 8(a) industry partners—including Integral, a well-equipped, experienced contractor with:
 - extensive relevant past performance
 - a proven record of successfully managing and delivering task orders under the GWAC
 - an experienced capture and proposal team that produces responsive, compliant proposals
- GWAC that allows for simplified acquisition and direct awards of task orders valued at less than \$4 million

About Integral

Headquartered in Rockville, Maryland, with offices in Charlottesville, VA, and Aberdeen, MD, Integral is a woman-owned business that delivers IT and identity intelligence solutions designed to help make the world safer and more secure by defending against terrorism and protecting against cyber-attacks. With more than 15 years of experience in successfully implementing real-time IT solutions and program management services, Integral has institutionalized its processes to complete projects on time and budget and with the highest quality, exceeding client expectations. Integral is certified in ISO 9001, ISO 20000, and ISO 27001 and appraised at CMMI-DEV/3 and CMMI-SVC/3.
